Retirement Account Bonus Offer Extended!

Do you have a 401(k), IRA or similar account that is not already at Charles Schwab & Co., Inc.? Schwab is having a "bonus promotion": If you open a Schwab account prior to December 31st and roll your account to Schwab before January 31st, they will pay you a cash bonus:

\$200 for a \$50,000 account
\$300 for a \$100,000 account
\$600 for a \$250,000 account

The limit is two accounts per person, so a \$600,000 account could be rolled to two Schwab accounts for two separate \$600 bonuses - limit two per person.

You can, after February 15th, have us manage the rollover account. We will match Schwab's offer, giving you double bonuses. Our bonuses also apply to non-IRA accounts.

So, if you've been meaning to transfer an account to *INVESCO* management, now is the time to do it. Call Keith now and stop by for lunch!
