Leverage League Winners!

Keith, Herb & Sydney

Congratulations to our 2014 Leverage League "bull trophy" winners! If you're a graduate of our Financial Independence courses, you're eligible to participate in our investment club. We meet every second Monday evening from September to June.

We had our final meeting/awards dinner at Ken & Sandy's house in Arlington Heights where we awarded the top three finishers. We compete to see how big you can grow a (fake) \$10,000 investment in nine months. Over twenty traders competed. By May, only a few were still in the contention for the coveted first place trophy.

Keith Nyborg took first place. He turned his portfolio into an \$11,756,189,589 (that's Billion). Keith also took first place in 2010. In most

years, if you get three lucky trades (correct guesses) you are likely to win a trophy. This year, Keith had five lucky trades - each time leveraging to the max on the S&P 500 futures index.

Herb Ginger took second place with \$1,285,713,395 (also Billion). This is Herb's first trophy! He traded a mix of the S&P and the Nasdaq indexes throughout the season.

Sydney Joseph took third place with \$547,112,119. Sydney has had three 2nd place trophies and two other 3rd place trophies in the last 14 years! He also mostly traded the S&P index.

If you're interested in joining us in the upcoming season, just give Keith a call at (847) 824-4078 to be put on our club mailing list.
