## ***INVESCO* In Money Smart Week**

---

Sign up for "Stock Market Secrets Revealed". *INVESCO* will be talking about it's newest book "The Book of Revelations" on Monday April 20, at 6:30 p.m., at the Mount Prospect Library. Each attendee will receive a free book along with a DVD.

Learn how to create your own diversified, professional stock portfolio that can steadily beat the S&P 500 index. The presentation will discuss how the market works, help you discover how comfortable you are with risk, and give tips on which investments you should make or avoid.

Money Smart Week is a week long event held annually that the Federal Reserve sponsors to raise public awareness and help consumers better manage their personal finances.

The events are open to people of all ages. You can register for this free seminar by calling the library at (847) 253-5675.
